

ANNUAL EVENT FUND – Application/Document of Need

Each organization must fill out this Document of Need annually for funding to continue. New applicants must fill out the application and will hear from us within a month of our decision.

This fund is to financially assist *Annual Events* that take place within the community or a school within the Kingdom East School District. The district includes Lyndonville, Burke, Sutton, East Haven, Newark and Sheffield/Wheelock. If the funding is for a group of students, the majority of the recipients must be from, or go to school, in these towns.
