

# Burklyn Arts Council Register of Juried Artists

Burklyn Arts will pay for visiting/guest artists to visit your school and work directly with students. Artists do not need to be on our list to be hired. These names are just suggestions and recommendations to help you initiate an arts project.

These artists look forward to working with your students. Please contact them and make arrangements for a visit/performance at your school. They can answer any questions you may have regarding price, dates available, topics of exploration and the age group best suited to the artist. Some are registered with the VT Arts Council and you can read a more thorough description of their work on their web site: [www.vermontartscouncil.org](http://www.vermontartscouncil.org)

***Our Juried Artists are categorized by their specialty.***
